Marzoni Wings Cooking Instructions

OVEN METHOD:

Place unopened sauce packets in cool water to thaw. Preheat oven to 450°F. Spread the thawed wings* on a lightly oiled, foil lined baking sheet leaving space between each piece. Heat for 18-20 minutes. Shake preferred sauce on cooked wings or serve sauce on the side. Enjoy!

FRYER METHOD:

To Cook Thawed*; deep fry wings at 300 degrees for 5 minutes.

To Cook from Frozen*; deep fry wings at 300 degrees for 10 minutes.

For better results, thaw wings before cooking.
